A REVIEW OF CURRENT PRACTICES IN PEDIATRIC DENTISTRY:
Practical Solutions from Practicing Pediatric Dentists

Friday, April 8, 2016

**Please make additional copies for each person registering**

**Registration Deadline: Friday, April 1, 2016**

REGISTRATION FEE AND CREDIT

The registration fee is $285 for dentists and $150 for team members. The UNC School of Dentistry designates this activity for up to 6 hours of continuing education credits. The registration deadline is April 1, 2016. A continental breakfast and lunch will be provided with your paid registration.

Cancellations and Refunds

A registration refund, less a $50 fee, will be issued for cancellations received by Friday, April 1, 2016. Cancellation requests must be received in writing either via fax 919-537-3098 or email cde@dentistry.unc.edu. The cancellation request must include the name of the activity, name of the person registered, name of the person requesting the cancellation, and the reason for the cancellation. No refunds will be issued after Friday, April 1, 2016. The UNC School of Dentistry Continuing Dental Education Program cannot be responsible for the refund of any part of the registration fee as a result of emergencies, unforeseen circumstances, or events beyond its control after the cancellation date.

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will fully refund registration fees but is not responsible for any related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, rental car or travel agencies.

Special dietary requirements will be honored whenever possible. Please be sure to notify our office in writing of your special need no later than Friday, April 1, 2016.

Date received (if written only)

I have special dietary needs, please explain: ______________________________________

I have special needs, please contact me.

Sponsored by the University of North Carolina Department of Pediatric Dentistry
Course Description
This activity will deliver current clinical information from knowledgeable, private practicing pediatric dentists from North Carolina, California and Iceland. The speakers will share their own experiences and practical solutions for targeted and specific issues. Top topics are: Caries Risk Assessment; Extremely Useful or Just Plain Hype?; You Don’t Know What You Don’t Know; Zirconia Crowns: An Esthetic Alternative to Stainless Steel Crowns for Teeth; Cooperating With Your Course Confirmation; and Update on Conscious Sedation.

Objectives
The information presented at this educational activity should improve your ability to:
1. Evaluate the usefulness, accuracy and practicality of caries risk assessment tools developed by national and international organizations.
2. Identify the maternal and breast feeding issues and anatomy that may be directed to the provider or to ADA CERP at www.ada.org/cerp. Hours by boards of dentistry. Concerns or complaints about a CE provider or instructor may be directed to the provider or to ADA CERP at www.ada.org/cerp. Hours by boards of dentistry. Concerns or complaints about a CE provider or instructor may be directed to the provider or to ADA CERP at www.ada.org/cerp.
3. Describe the protocol for laser frenotomies for infants.
4. Review the proper clinical harmony; and update on conscious sedation.
5. Enhance parent cooperation of your dental home issues and infant breast feeding concerns in his practice.
6. Review current consciousness sedation protocols and guidelines for safe administration of medications.

Agenda
8:30 - 9:00 am Registration and Continental Breakfast
9:00 - 9:30 am Welcome & Introduction
9:00 - 9:50 am Dr. Dorothy Pang
9:50 - 10:40 am Dr. Kate Pierce
10:40 - 11:00 am Morning Break
11:00 - 11:15 am Dr. Sigurdur Saemundsson
11:15 - 12:20 pm Lunch
12:20 - 1:20 pm Contextual Development Program (All panel members)
1:20 - 2:20 pm Dr. William Chambers
2:20 - 3:30 pm Afternoon Break
3:35 - 4:35 pm Questions/Answers (All panel members)

About the Speakers
(All are alumni of the UNC School of Dentistry graduate program in Pediatric Dentistry)

Dorothy T.Y. Pang, DDS, MS, San Francisco, CA
Dr. Pang has a private practice of pediatric dentistry. She holds a DDS from King’s College School of Dental Medicine and a certificate in pediatric dentistry from the UNC School of Dentistry. Dr. Pang earned a MS in pediatric dentistry from the UNC School of Dentistry in Chapel Hill. She holds a faculty appointment in the Department of Growth and Development, University of California, San Francisco. Dr. Pang serves on the Examination Committee of the American Board of Pediatric Dentistry. She is a sought after speaker on the use of conscious sedation in pediatric dentistry.

Kate M. Piers, DDS, DMP, Greensboro, NC
Dr. Piers practices pediatric dentistry in Greensboro, NC. She received her DDS and certificate in pediatric dentistry from the UNC School of Dentistry, and her MHP from the UNC School of Public Health. She received her MPH from the UNC School of Public Health. She received her MHP from the UNC School of Public Health. She received her MPH from the UNC School of Public Health. Dr. Piers holds an Adjunct Faculty appointment in the UNC Department of Pediatric Dentistry. She has incorporated the use of Zirconia crowns in her practice and is well qualified to share her experience with this new restorative option.

Sigurdur R. Saemundsson, DDS, DMP, PhD, MBA, Reykjavik, Iceland
Dr. Saemundsson is the Chair of Pediatric Dentistry at the University of Iceland and maintains a private practice of pediatric dentistry in Reykjavik. He received his DDS from the University of Iceland, his MPH and PhD (epidemiology) from the University of California, San Francisco, and a certificate in pediatric dentistry from the UNC School of Dentistry. Dr. Saemundsson also holds an MBA (international relations and management) from the University of Reykjavik. He has done research in the field of caries risk assessment and will share his expertise on this complex issue.

DISCLOSURE STATEMENT
In accordance with the ADA CERP Standard V, everyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests and this information will be made available to participants at the start of the activity.

As a continuing education provider, UNC School of Dentistry is responsible for ensuring the content, quality and scientific integrity of all continuing dental education activities for which credit is provided. The School is also responsible for taking steps to protect against and disclose any conflict of interest of the faculty/instructors presenting these courses.

TIME & LOCATION
The program will be held at the William and Ida Friday Center for Continuing Education. Registration will begin at 8:30am. The program will be held from 9:00am – 4:30pm. The Friday Center is located on Franklin Street just off Main Street (on the east side of Chapel Hill. Parking permits are required at the Friday Center and will be emailed to you with your course confirmation.

Continued Education Credit Requirements and Program Information:
ADA CERP Recognized Provider
The UNC School of Dentistry is an ADA CERP Recognized Provider at Chapel Hill School of Dentistry and the Department of Pediatric Dentistry. The UNC Continuing Dental Education program is an ADA CERP Recognized Provider. UNC CDE’s term of recognition is May 1, 2015 through June 30, 2019. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit byboards of dentistry. Concerns or complaints about a CE provider or instructor may be directed to the provider or to ADA CERP at www.ada.org/cerp. Hours by boards of dentistry. 5. Enhance parent education.
4. Review the proper clinical application of stainless steel crowns for primary teeth.
3. Describe the protocol for laser frenotomies for infants.
2. Identify the maternal and breast feeding issues and anatomy that affect cooperation of your patient.
1. Evaluate the usefulness, accuracy and practicality of caries risk assessment tools developed by national and internal organizations.

The information presented at this educational activity should improve your ability to:

1. Evaluate the usefulness, accuracy and practicality of caries risk assessment tools developed by national and internal organizations.
2. Identify the maternal and breast feeding issues and anatomy that affect cooperation of your patient.
3. Describe the protocol for laser frenotomies for infants.
4. Review the proper clinical technique to successfully use Zirconia prefabricated crowns to restore primary teeth.
5. Enhance parent satisfaction and cooperation in your pediatric patients.
6. Review current sedation protocols and guidelines for safe administration of medications.

**Course Description**

This activity will share the participants current clinical information from knowledgeable, private practicing pediatric dentists from North Carolina, California and Iceland. The speakers will share their own experiences and practical solutions for targeted and specific issues. Topic titles are: Caries Risk Assessment: Extremely Useful or Just Plain Hogwash?; You Don’t Know What You Don’t Know; Zirconia Crowns: An Esthetic Alternative to Stainless Steel Crowns for Primary Teeth. Cultivating Your 5 Keys to Clinical Harmony; and Update on Conscious Sedation.

**Objectives**

The information presented at this educational activity should improve your ability to:

1. Evaluate the usefulness, accuracy and practicality of caries risk assessment tools developed by national and internal organizations.  
2. Identify the maternal and breast feeding issues and anatomy that indicate the need for early intervention.  
3. Describe the protocol for laser frenotomies for infants.  
4. Review the proper clinical technique to successfully use Zirconia prefabricated crowns to restore primary teeth.  
5. Enhance parent satisfaction and cooperation of your pediatric patients.  
6. Review current sedation protocols and guidelines for safe administration of medications.

**E. Laffie Johnson, DDS, MS, Raleigh, NC**

Dr. Johnson maintains a private pediatric dentistry practice in Raleigh, NC. She received her DDS from the University of Tennessee and her MS and certificate in pediatric dentistry from the UNC School of Dentistry. Dr. Johnson has a highly innovative driven practice and has brought technology to the forefront of her practice. Dr. Johnson is on the Examining Committee of the American Board of Pediatric Dentistry. In addition to her busy private practice, she maintains a rigorous manuscript review experience with her husband and children. Marshalling her time and energy is paramount to insuring that she keeps her work, trustee, and home life balanced. She will share the keys to making all this work.

**Williem L. Chambers, DDS, MS, Asheville, NC**

Dr. Chambers has been out in front addressing early dental home issues and infant breast feeding concerns in his practice. He will be sharing his experience with us.

Dr. Sigurður Saemundsson

Dr. Saemundsson is the Chair of Pediatric Dentistry at the University of Iceland School of Dentistry and maintains a private practice of pediatric dentistry. He received his DDS from the University of Iceland, his MPH and PhD (epidemiology) from the UNC School of Public Health, and a certificate in pediatric dentistry from the UNC School of Dentistry. Dr. Saemundsson also holds an MBA (international relations and business) from the University of Reykjavik. He has done research in the field of caries risk assessment and will share his expertise on this complex issue.

**DISCLOSURE STATEMENT**

In accordance with the ADA CERP Standard V, everyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests and this information will be made available to participants at the start of the activity.

As a continuing education provider, UNC School of Dentistry is responsible for ensuring the content, quality and scientific integrity of all continuing dental education activities for which credit is provided. The School is also responsible for taking steps to protect against and/or disclose any conflict of interest of the faculty/instructors presenting these courses.

**TIME & LOCATION**

The program will be held at the William and Ida Friday Center for Continuing Education. Registration will begin at 8:30am. The program will be held from 9:00am – 4:35pm. The Friday Center is located on Friday Center Drive just off Highway 54 on the east side of Chapel Hill. Parking permits are required at the Friday Center and will be emailed to you with your course confirmation.
REGISTRATION FEE AND CREDIT
The registration fee is $285 for dentists and $150 for team members. The UNC School of Dentistry designates this activity for up to 6 hours of
continuing education credits. The registration deadline is April 1, 2016. A
continental breakfast and lunch will be provided with your paid registration.

Cancellations and Refunds
A registration refund, less a $50 fee, will be issued for cancellations received by Friday, April 1, 2016. Cancellation requests must be received in
writing either via fax 919-537-3098 or email cde@dentistry.unc.edu. The
cancellation request must include: the name of the activity, name of the person
registered, name of the person requesting the cancellation, and the
reason for the cancellation. No refunds will be issued after Friday, April 1,
2016. The UNC School of Dentistry Continuing Dental Education Program
cannot be responsible for the refund of any part of the registration fee as a
result of emergencies, unforeseen circumstances, or events beyond its
control after the cancellation date.

The University reserves the right to cancel or postpone any course due to
unforeseen circumstances. In the event of cancellation or postponement,
the University will fully refund registration fees but is not responsible for
any related costs or expenses to participants, including cancellation fees
assessed by hotels, airlines, rental car or travel agencies.

Special dietary requirements will be honored whenever possible. Please be
sure to notify our office in writing of your special need no later than Friday,
April 1, 2016.
