

Hello Webinar Participants,

We are following up on a couple of items that came up during the [Parent Companion Website](#) and Texas Parent to Parent webinar on November 19th. Thank you for attending the webinar and using the website with families. We hope it will be helpful to you and to families.

People really like the **Infographic** depicting all the agencies and programs discussed on the website. Here are the steps to find it. It appears in the article: ***"Finding Resources and Services in Texas"***.

- Search "services" and the article will appear in the filtered list. You will need to scroll down the list to find the article.
- Or, from the home page, under "We Built This Site for You", click on "Agencies".
- The first article in the yellow box is the *"Finding Resources"* article.
- The infographic link is found within the body of the article **under the header "A Map of Where to Find Help"**.
- Click on the blue text "image" in the second sentence and the infographic will appear as a pdf.
- If you like you can download the pdf.

Someone brought up that in the Spanish "Finding Resources" article the first video featuring Rosemary and Martha was in English. That has been corrected and the Spanish dubbed video now appears in that article. Thanks so much for pointing this out!

A couple of videos that are very popular are the "You Are Not Alone" video. It can be found in the article *"You Are Not Alone: For Parents When They Learn Their Child has a Disability"*. The other is the *"Parent and Caregiver Bill of Rights"* it appears in the article of the same name. There is a link to print a pdf of the rights statements within the article.

Did you know you can email videos? At the end of each video the words "replay" or "email video" will appear as a choice on the screen. If you click on "email video" a box will pop up for you to enter your email address, a friend's email and a message (if you choose).

Don't forget you have the option to print every article. Just look for the blue box with "Print Article" at the end of each article.

As time goes by, if you find any links that are not working, or something has changed let us know by using the *"Contact Us"* link –which appears as a blue tab at the bottom of each page.

Let us know if we can answer any questions or help you find something on the [Parent Companion website](#). **Parents can contact Texas Parent to Parent at any time for support and information. The toll free number is: 866-896-6001. The website is: <http://www.txp2p.org/>**

Sincerely,

Mary Jo & Sherry
