

Parent Companion Search Activity

In order to become more familiar with our site try the following searches. Make sure you push buttons and strike out on your own adventure if you are so inclined.

1. From the Homepage, click on **Guide Me**.
 - In the **My Guide Home** filter search, click on any age group.
 - Now, under **Agencies** click “All” and on all of the other major headings click “None”.
 - Click on **Finding Services and Resources in Texas**.
 - Find the **image/infographic** that is a *map of where to find help* – make sure you click on the links to see what happens.
2. Click on the **logo** at the top of any page to go back to the **homepage**.
 - Now pick an age and click on **Guide Me**.
 - Click on **Hide My Interests** and you will see 3 suggested articles for each topic.
 - Click on the **View More** button next to **Family Life & Support**.
 - Find the article **The 4 Stages of Adaptation, Stage 1: Surviving** and click on it.
 - Scroll down and enjoy as much as you want of the video of “**The 4 Stages of Adaptation**”.
3. Start back on the **homepage** and click on **Diagnosis and Disability Information** at the bottom right corner.
 - Click on **Understanding A Diagnosis and Medical Terms**.
 - Try clicking on any of the **KEYWORDS** at the top of the article to see where they take you.
4. Go back to the **Homepage**

- Click on **Start Here**
- Click on **Special Education: The Referral and Evaluation Process**
- You will find a **video** explaining early childhood assessments at the bottom of the page. Enjoy.
- Scroll back up to a link to the article, **What is Special Education?**
- While you are in this article, try clicking on the **Texas Project FIRST Glossary** at the right side of the article.

5. Back to the **Homepage** one more time.

- Click on **First Steps** at the bottom right of the screen.
- Click on **DARS Early Childhood Intervention (ECI) Services**
- Explore the Texas Parent to Parent site, by clicking on **Resources Near You** to the right of the article.

6. Finally, using **Search the Site** at the top of any page, enter “cerebral palsy”.

- Select **Links to Disability Information**.
- Now explore the links to various disability categories.

Feel free to explore our site as you would like.
